Text: Mark 14:1-9

Theme: “A Portrait of Extravagant Worship”

Key Observation: If you worship in the eyes of others does not appear to be excessive, over the top and a complete waste of precious time and resources, it is probably not extravagant worship.

Lessons:

1. Extravagant worship is a loving sacrifice on the part of the worshipper. (Mark 14:3)
2. Extravagant worship causes others to respond with indignation. (Mark 14:4-5)
3. Extravagant worship elicits commendation for the One who is the object of our worship. (*Mark 14:6-9*)
