

# Getting Started

---

## EASY STEPS TO GETTING YOUR TRANSFORMATION STARTED!

Welcome!

Watch the promo video of the 30 Essentials of the Committed Life church-wide campaign.

### BINDER MATERIALS

**Obtain** your Committed Life binder in the church lobby at the Ministry Table or Information Desk.

In it you will find:

- a Spiritual Growth Continuum (folded brochure),
- a 30 Essentials Completion Checklist,
- a Key Concepts Chart,
- an Instructions Page,
- and the 1<sup>st</sup> 30 Essentials Study.

*Future 30 Essential Studies can be located online or in the church lobby at the Information Desk as they become available. Come back each month for the next installment of study guides and support materials for each Essential.*

### PERSONAL STUDY

**Work through** the Personal Study. We will study each Essential for 1 month. First, make sure you either go online and print a copy of the study materials or visit the Ministry Table or Information Desk to get a printed copy of each study as it is announced.

Some people prefer to devote about ten to fifteen minutes a day while others choose larger blocks of time during the week to work through the study. We do not recommend completing the entire study in one sitting. Work at your own pace but pace yourself. There is no right or wrong way. Do what fits your needs.

Each study is divided into the following parts:

- **Master Keys**
  - Key Verse
  - Key Idea
  - Key Questions
  - Key Observation
- **Personal Study**
  - Self-Evaluation
  - Bible Engagement
  - Video Teaching
  - Devotional Reading
  - Closer Look
- **Life Application**
  - Take Away
  - Case Study
  - Prayer Writing
- **Sermon Notes**
  - Journal Sheets (for your additional notes)
  - Sermon Outline (available on Sundays in Service)

---

## **SUNDAY SERVICE**

**Bring** your sermon notes pages with you to Church each week and use them to take notes from the pastor's or speaker's message. You should receive an outline to follow along with his message on that day.

## **GROUP MEETING**

**Review** materials and be prepared to participate in the discussion in the Group Meeting section of the study.

**Attend** a Small Group Meeting. During the church-wide study you can:

- meet with your current Small Group
- attend our short-term Community Group (*Sunday mornings coming soon!*)
- ask others if they'd like to meet and form a group (*Need to promote it? Let us know.*)
- bring your family together around this study

## **FACEBOOK GROUP**

**Join** "The Committed Life" Facebook discussion group and **weigh-in** on topics surrounding the 30 Essentials anytime as Pastor Smith shares additional insight and encouragement.

## **LIFE CHANGING**

**Enjoy** your journey of thinking, being and acting as a fully devoted follower of Christ would!
